LEVEL ONE INVESTIGATOR’S CONCLUSION

The Complaint is being dismissed for lack of jurisdiction.

- Physical abuse alleged, but no evidence of student physical injury exists.
- Physical abuse alleged, but nature of alleged incident makes it unlikely an injury as defined in the Chapter 102 rules occurred.
- Sexual abuse alleged, but the alleged actions of the school employee, even if true, would not meet the definition of sexual abuse in the rules.
- Allegedly abused student was not a student at the time of the incident.
- Accused school employee is not currently employed by this school district or was not a school employee at the time of the alleged event.
- Alleged incident did not occur on school grounds, on school time, at a school-sponsored activity, nor in a school-related context.

The Complaint has been investigated and concluded at Level One as UNFOUNDED.

- Complaint was withdrawn or recanted.
- Insufficient evidence exists that an incident of abuse, as defined by the rules, took place.

The Complaint has been investigated at Level One and is FOUNDED.

- The investigation is founded at Level One and is being turned over to Level Two for further investigation.

- The investigation is concluded at Level One because the accused school employee has admitted the violation, resigned, or agreed to relinquish any teaching license held.

CURRENT STATUS OF THE INVESTIGATION

- Closed. No further investigation is warranted.
- Closed and referred to school officials.
- Deferred temporarily to law enforcement.
- Turned over to Level Two investigator for further investigation as a personnel matter.
