

LICENSED EMPLOYEE CONTINUING CONTRACTS

Contracts entered into with licensed employees, other than an administrator, will continue from year to year unless the contract states otherwise, is modified by mutual agreement between the board and the employee, or the contract is terminated by the board.

The first three years of a new licensed employee's contract is a probationary period unless the employee has already successfully completed the three year probationary period in an Iowa school district. New employees who have successfully completed a probationary period in a previous Iowa school district will serve a one year probationary period. In the event of termination of the employee's contract during this period, the board will afford the licensed employee appropriate due process. The action of the board will be final.

Licensed employees whose contracts will be recommended for termination by the board will receive notice prior to April 30. The superintendent will make a recommendation to the board for the termination of the licensed employee's contract.

Licensed employees who wish to resign, to be released from a contract, or to retire must comply with board policies in those areas.
