

9-2-2020

Dear Osage parents, staff, students and community members:

As you know the health and safety of our students, players, and coaches has continually been our top priority. Unfortunately, COVID-19 continues to be present in our community and we have been informed of a positive case within the Osage football program. **As a result, our school district has decided to be proactive and will not be playing JV or Varsity football this Friday night at Clear Lake, and there will be no JV game next Tuesday at West Fork.**

While we are sure you share our disappointment with not being able to play the game this week, we look forward to playing again in the weeks ahead. Our coaches and staff have worked diligently to minimize COVID-19 exposure in several ways, including [i.e., sanitizing equipment, using social distancing measures whenever possible, and the use of hand sanitizers for the athletes]. Despite these efforts to minimize any exposure, we know that COVID-19 exists within our community.

We encourage families and students in all sports/activities to have conversations about and take steps to follow preventative measures that support staying safe, healthy, and reducing the spread of the virus.

Stay safe and stay healthy!

Sincerely,

Barb Schwamman
Superintendent
