

Recommendations for Students Who Tests Positive for COVID-19

- Positive individual will isolate at home for (5) days
 - **Day 0** = First day of symptoms (or day of test)
 - **Days 1-5** = Isolate at home
 - **Days 6-10** = If symptoms have improved, you may return to school and wear a mask for (5) additional days
 - If symptoms have not improved, continue to isolate until symptoms subside. Then follow with Days 6 - 10.
