Everyday reminders:

Students are expected to use the restroom or take care of any other "needs" between classes or at lunch break. If it is not urgent to make the call or use the restroom, then it needs to wait so that you are not missing class time. Students are expected to be in their scheduled classrooms or with their teacher the entire period. Also, remember that your planner must be signed by a teacher in order to leave (unless you have a pass from the office already).

When it's your birthday, remember to stop at the MS office for your birthday treat!

Students and staff, please check the announcement boards in the cafeteria and in the MS commons every day and EVERY time you walk past them. There are many times that announcements may be up there that did not get into the emailed announcements. **Students, if you are needed in the office for messages or other reasons, your name will be up on these boards so it is very important that you check these often.**

NO students are to be in any of the gyms before or after school if there is not a staff member or coach in there with you.

Students, you are not to let anyone come in the buildings through any of the doors without first getting permission from the office. At all times, everyone is expected to use the secured, main entrance in the high school for entry. If you are coming late to school or returning from an appointment, you still must enter through the main doors (NOT MS doors).
