

Osage Community School District

The Mission of the Osage Community Schools is to sustain and enhance a caring community to produce enthusiasm for lifelong learning.

1-30-2024

Dear Green Devil Families,

At 8:00 am this morning, the district was notified of a credible threat which caused a concern for campus safety. In collaboration with law enforcement, a decision was made to use our shelter in place protocol to ensure the safety of students and staff while police investigated.

At approximately 9:15 am, law enforcement informed us that shelter in place procedures could be lifted. Law enforcement has taken the situation into their hands for the next level of investigation and we do not feel that this situation will result in any further threat to our staff and student body.

I'm extremely proud of the way our staff responded to the incident. We are meeting with our student body today as well. These types of situations are never easy and we are very grateful for the trust and patience of everyone involved - especially our parents. When it comes to student safety, the district will always err on the side of caution.

Sincerely,
Barb Schwamman
Osage School Superintendent
