The MS lost and found rack is LOADED with water bottles, hats, boots, gloves, coats, sweatshirts, etc. These items must belong to someone - please investigate and take your items. The lost and found rack is at the east end of the MS commons. (look for the sign on the rack) Also check at the High School lost and found. If you are missing small items, also ask in the offices.

When it's your birthday, remember to stop at the MS office for your birthday treat!

NO students are to be in any of the gyms before or after school if there is not a staff member or coach in there with you.

Students, you are not to let anyone come in the buildings through any of the doors without first getting permission from the office. At all times, everyone is expected to use the secured, main entrance in the high school for entry. If you are coming late to school or returning from an appointment, you still must enter through the main doors (NOT MS doors).
