There are only 9 days left (after today) until the end of the first semester. NOW is the time to start looking at your work to see what's missing and where you could use some extra help to understand. Do not wait to visit with your teachers or the paras to get some help so you can finish this semester strong! We are here to help you and we want you to be successful. Let's work together.

All lunch money needs to be taken to the lunch ladies in the cafeteria for deposit into your account.

When it's your birthday, remember to stop at the MS office for your birthday treat!

Important Reminder:

Students are not to let anyone come inside the buildings through any of the doors. Keep entry doors closed/locked. Everyone, including visitors, is expected to use the secured, main entrance in the high school for entry at all times.

Also if you are coming late to school or returning from an appointment, you still must enter through the HS main doors & then check in at the MS office.

All athletic forms (physical, concussion, RTL) should be taken to Mr. Kohl in the High School office. (he is our new athletic director)
