Reminder all student cell phones should be turned OFF and placed inside your locker until after school. This is the STATE LAW and not just a school rule.

Students, if you come in late or return from an appointment, you **must always come into school through the main/high school doors** and then always come check in at the MS office before going back into your classes (and give the note to Mrs. Hawke). ***If you come to the MS doors, you will be sent over to the main doors.***

All students, guests, visitors, families must use the east end doors to come into the building. You are allowed to exit the building through the MS doors facing the CRC but not enter. Also DO NOT ever let anyone in any of the doors at the school. If someone wants to enter, they MUST go to the main doors at the east end of the building so that they can check in.

NOTICE OF STATE LAW: MIDDLE SCHOOL STUDENTS ARE NOT ALLOWED to purchase at school or have these items in school: Bubblr', Gatorade, Propel, Pop

All athletic forms will need to be uploaded into BOUND before you can participate in athletics (you keep the paper copies at home then). Blank forms are available to pick up on the wall outside the MS office or in the HS office.
